

Geo Attendance App

Client Proposal Screen Flow

This PDF shows how the developed app screens connect, including login, home check-in/check-out states, attendance marking, reports, and profile details.

Navigation Notes

- Login opens Home after valid teacher credentials.
- Home has Check In and Check Out states.
- Attendance opens class cards, then student marking.
- Reports contains Daily, Weekly, Monthly, and Subject Wise analytics.
- Profile shows teacher details including Designation: Computer Trainer.

Login Screen

Teacher enters email and password, then signs in.
